Hello. I am writing to encourage you to continue supporting the Pismo Preserve Project with additional funding. In my opinion, open space is THE most important feature of Central Coast living. Please show your support for the project at your Aug. 26th meeting!

Thank you!

Comments or questions (8,192 characters max):
Please consider closing the \$400,000 gap to fund the Pismo Preserve! The BOS has already recognized the importance of this project to residents, business people and tourists through the generous pledge of \$1.1 M. However, to finish off funding before the August 31 deadline, please consider fronting the remaining amount. You've heard all of the arguments in favor of the project. The final one: it's too important to let slip through for just \$400,000 more! And the deadline is fast approaching. Another possibility: a challenge from the BOS to the Pismo Beach City Council, promising to match an additional \$200,000 from the City.

Thank you for your consideration and additional support. As presented earlier, for conservation and business reasons, this project has county-wide importance and impact, now and for generations to come.

Greetings,

I am writing to add my voice to those recommending the amount of \$400,000 in county funds be approved to the Land Conservancy of San Luis Obispo for the purchase of the Pismo Preserve area and to "consider authorizing a budget adjustment in the appropriate amount from General Fund Contingencies to Parks Land Fund Center (FC) 30504 by 4/5ths vote."

I teach Biology and AP Environmental Science at Mission College Preparatory High School in San Luis and recognize the importance of public natural spaces for the well being of those who live here.

SLO County Board of Supervisors

Re: Item 19, Pismo Preserve Request for \$400K

We ask that your Board approve another \$400,000 to purchase the Pismo Preserve. This project will provide much needed recreational opportunities for residents and visitors to SLO County, as well as spectacular views and protection of invaluable habitat.

The generosity of the community and local governments has been amazing. We hope that your Board will provide the funding to close the deal on this incredible project.

Thanks so much.

Comments or questions (8,192 characters max):
We strongly support the additional funding of \$400,000 to complete the purchase of the Pismo Preserve. Since the funds appear to be available and will not put other projects at risk, this would be a solid investment in the future of the county.

Letter regarding Pismo Preserve.doc

POSTCARD PROPERTIES

Santa Barbara, California 93101

August 24, 2014

TO: The honorable San Luis Obispo County Board of Supervisors
RE: Pismo Preserve

Given the creative initiative, energetic effort, and enthusiastic financial support by many people in the County whom are passionately dedicated to preserving and enhancing its quality of life, the vision for the Pismo Preserve is close to realization. The Board of Supervisors now has the opportunity to provide the last increment of funding necessary to consummate this significant land conservation transaction. As envisioned, the Pismo Preserve will provide a compelling recreational resource for residents and visitors to the County to enjoy for generations to come. As such, I urge the Board to continue its leadership role in the stewardship of the County's lifestyle and approve the funding request to facilitate the creation of the Pismo Preserve. As the developer of the proposed hotel at the base of the pier in Pismo Beach, I thank you in advance for your thoughtful consideration of my recommendation.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read 'Dana Severy', with a long horizontal stroke extending to the right.
